RUSSELL'S POSITIVE FINANCIAL CREED

Declares for a Gold Standard To-day New York is without a capdidate, New Jersey has none and Pennsylvania in Chicago Rostrict Without Evasion or Compromise.

Silver Agitation, If Successful, Will, He Says, Impair the Nation's Credit.

Opportunity for the Democratic Party.

TARIFF IS NOT NOW THE ISSUE.

The Ex-Governor Has Nothing to Say. Directly of His Own Candidacy, but Asserts That Money is the Question of the Hour.

Sandwich, Mass., April 19.-Burled in He declined to talk about his Presidential

"What should be the Democratic position on this subject of finance?" I asked, "and what platform stand should the party take in the next convention?"

"I believe," said ex-Governor Russell, "the Democratic party, both for the present and its future, should in the coming President will cause Mr. Russell to decline nominating Bland, of Missouri, they would convention take an absolutely sound post- to serve as a delegate. tion on the money question without evasion or comp romise. Such a position means not only opposition to the free coinage of tion. The delegates were not pledged, but tirely sure of making a ticket to suit them. silver, but also to its compulsory purchase the sentiment of the caucus favored ex-or any compromise legislation in that di-Governor W. E. Russell for Presidential cratic nomines with a pledge to virtually rection. I trust, too, that it will uphold dent Cheveland in his resolute action in maintaining our present gold standard. The sliver agitation, if successful, would be injurious to business and all interests, would reduce all savings and investments, lessen the value of wages and seriously impair the nation's credit, which ought under all the nation's credit, which ought under all Hundred and Twenty-fifth stret, on "What concilitions and all circumstances be kept is a Mahatma?" lest night. Mr. Hargrove

A Democratic Opportunity.

"In my opinion, the Republican party, both in its platform and its candidate, is likely to compromise on this question. The Democratic party will then have a great opportunity by taking an unquestionably is no fault of the reporters, as the subject sound position. It will then appeal to the is enveloped in so much confusion. business and conservative interests of the country, and I should think, merit their support. Both principle and expediency, therefore, suggest this course. It is in line with the traditions and principles of the party and with the admirable record of the present Administration. I do not think the question is one which can or ought to be evaded or straddled.

No doubt there is a wide difference of opinion upon it in the Democratic ranks. This difference, I presume, will lead to agitation and discussion, but, I trust, also, to a sound conclusion without compromise. Time and prosperity will surely end the silver spitation.

tion takes a firm position against silver legislation, I believe it will be not only stronger in the campaign of 1896, but also in the future, whatever the result of the coming campaign may be. If the Repubthe Rev. Thomas Dixon at the Academy of slection, it is likely by some sort of compromise legislation to combine silver with high protection. The fear of this ought to weaken that party in the campaign. If it and its compromise legislation are successful, there will come a reaction in the campaign it and to the benefit of the campaignst it and to the people of the campaignst it and to the benefit of the campaignst it and to the people of the campaignst it and to the benefit of the campaignst in all things devergance with the people of the people of the people of the campaignst in all things devergance with the people of the people of the people of the campaignst in all things devergance with the people of the people of the people of the campaignst in all things devergance with the people of the people of the campaignst in all things devergance with the people of the campaignst in all things devergance with the pe Mean party is successful in the coming

ver Democrats in Congress do not believe that the convention will assent to either of the the final adjournment of the Log-lished by Democratic conventions since the organization of the party.

Senator Gorman, the regularly appointed leader of the Democrats in the Senate, regards the Senate, regards the suggestion to pledge the President approved, if Mayor Thacher availed himself of the constitutional right.

Bi-Partisan Police bill, has it in his power to the his power to delay the final adjournment of the Log-lish to the Legisiature to-morrow. He will disapprove it, and its company.

Prices, \$1.50, \$1.00, and 50 cents.

HOYI'S THEATRE. 2sth st., near B'way, and the Legislature would be compelled to return the bill to the Legislature to-morrow. He will disapprove it, and its will again be repassed.

The Albany Police bill is a political measure, designed by William Barnes, Jr., the Republican boss of this city. Under its provisions the Democratic members of the force will be turned out to make way for the constitutional right.

THOMAS SEABROOKE Senator Cantor has addressed a letter to Republicans. self of the constitutional right.

Young Baltimore Leader Had Been Bath- layed, and Mayor Thacher has indicated his invite Men of All Political Shades to Assist intention to heed this request. This is the letter sent by Senator Cantor

more, claimed as their victim late yesterday afternoon H. P. C. Wilson, one of the most prominent society men of this city, and the son of Dr. H. P. C. Wilson, an eminent physician of this place.

The drowning was particularly sad from the fact that rescuers, friends of the unfortunate man, were close at hand, and could have saved him, but, being an athlete and a splendid swimmer, he called from the water to his compations that he was all right, and then, strange to say, sank like a stone.

With a party of six or seven prominent members of the Baltimore Club, young Wilson left the city Saturday for the picturesque home of Alexander Brown, the millionaire banker. The clubmen rowed out to Mr. Brown's sloop yacht, lying in the middle of the river. They swam about for half an hour. Wilson was the last man out, and as soon as he reached the yacht stood near the stern and began dreasing. of the taxpayers' money, and thus be con-sidered as aiding the Republicans in that respect. I know that you, as a public-spirited citizen and Democrat, would not permit, by any

nction of yours, any such result.

May I, therefore, respectfully urge that, as the people's money can be saved by prompt action on the bill, you return it to the Legisnetion on the bill, you return it to the Legis-lature at an early date, notwithstanding the Substantial, well-made and Mile, Aragon, Jno. Kernell, Sandow, lature at an early date, notwithstanding the constitution allows you fifteen days within which to pass upon it. It seems to me that which to pass upon it. It seems to me that your netion in that respect would be in direct. your action in that respect would be in direct contrast to the action of the Republican malority in both houses, which not only violate constitutional provisions, but the rules of both Senate and Assembly, while at the same time goods in our stock. wasting public funds. Faithfully yours, JACOB A. CANTOR.

To this the following reply was sent: Dear Sir-Your favor of April 15, 1896, is re-seived. I thoroughly sympathize with your very audable desire to save the taxpayers of the tate an unnecessary expenditure. It is the able lender, and does credit to you and to the you so far as I may in your efforts for economy ngston Fleming, who is charged with the ment that the Legislature of this great State 4s of the people's money in order to secure for the Republican party of the city of Albany—a party
